build a stronger, smarter future.

FOUNDER'S VISION

Md Abul Hossain Talukdar
Founder

"When I founded Shahanaz Enterprise, my dream was to create a company that delivers more than just engineering solutions—we aim to build trust, quality, and long-term value. From humble beginnings to serving clients across the nation, our journey has been defined by hard work, integrity, and an unshakable commitment to excellence. We take pride in helping shape modern infrastructure in Bangladesh, one project at a time."

At Shahanaz Enterprise, we believe that success is built on innovation, expertise, and strong relationships. As CEO, I am proud to lead a skilled team that works tirelessly to meet the diverse needs of our clients. Whether it's HVAC systems, steel structures, or specialized glazing works, our focus is always on quality, safety, and timely delivery. We are not just completing projects—we are building lasting partnerships and contributing to the nation's development.

Md Shahed Talukdar Samim
